We partnered with [@WAGreenSchools](#) to teach the next generation about air quality and science as part of our [#environmentaljustice](#) & community engagement work. Read our blog and article from [@deniseonKOMO](#) [@komonews](#) [pscleanair.org/555/Air-Qualit...](https://pscleanair.org/555/Air-Qualit...)

**PS Clean Air Agency** @psclea... Mar 21

On 3/23/19 buses will shift from the Downtown Seattle Transit Tunnel to surface streets. Congestion, frustration, air pollution. Re-think single occupancy commutes & consider vanpooling/public transit:

Curious about electric car-sharing?

The next Western Washington Clean Cities webinar will discuss electric car-share pilot projects in the Puget Sound region, take a closer look at the findings from multiple community surveys, and preview the steps necessary for communities to adopt their own electric car-sharing program.

Wednesday, April 17, 2019  
10 - 11 a.m.

BEST PRACTICES FOR  
SOCIAL MEDIA

**Top photo is of Freya:** she's famous and has her own account on Instagram! Her human Charly works in the legal department.

**Top right is Buddy.** He lives with Joy, who works in human resources.

**Bottom right is Soko.** Her human Jessica is an inspector.
