

(D.C. Cir. 2016) (dismissing appeal based on this “perfectly uncontroversial and well-settled principle of law” and collecting cases). Indeed, such occurrences are so routine that they are “ordinarily . . . handle[d] in an unpublished order.” *Freeport-McMoRan Oil & Gas Co. v. FERC*, 962 F.2d 45, 46 (D.C. Cir. 1992); *see, e.g., Am. Lung Ass'n v. EPA*, No. 17-1172, 2019 U.S. App. LEXIS 34, at \*4-6 (D.C. Cir. Jan. 2, 2019) (unpublished); *EDF v. EPA*, No. 18-1190, 2018 U.S. App. LEXIS 24040, at \*5 (D.C. Cir. Aug. 22, 2018) (unpublished). Further underscoring the lack of any remaining live case or controversy here, Petitioners themselves have moved voluntarily for dismissal.

For the foregoing reasons, the Court should dismiss all of the petitions in these consolidated cases as moot.

Respectfully submitted,

JONATHAN D. BRIGHTBILL  
Principal Deputy Assistant Attorney  
General

Dated: July 17, 2018
