

NACAA Training Committee Bi-Monthly Conference Call

July 9, 2013

1. Roll Call: NACAA, NESCAUM, NH, CT, VA, DE, Philly, Metro-4/SESARM, GA, NC, KY, Dayton, Cleveland, OK, Houston, SENSARA, AZ, WESTAR, USEPA OAQPS and NETI
2. NETI Presentation:
 - a. (Arthur Horowitz, NETI) E-Learning update from last year.
 - i. The past year NETI has been migrating to e-learning. Why? With declining resources, e-learning is more efficient.
 - ii. NETI LMS will be live by the end of the fiscal year.
 - iii. Why not one single LMS for entire EPA? NETI is all mediums, not just air so OAQPS and NETI have separate LMSs but will coordinate on the calendars.
 - b. (Tracy Back, NETI) Inspector Wiki
 - i. Used by federal employees to obtain and maintain Federal credentials for inspections.
 - ii. Contact Tracy if you have questions.
3. LMS Update
 - a. (Amy, USEPA) Update on what the contractor has been doing on LMS under current contract. Amy will email out the spreadsheet that has the current list of issues with the LMS.
 - i. Arturo asked that a presentation of the LMS be given at the Fall NACAA membership meeting.
4. Status of Course Updating
 - a. (Mary Boyer) By the end of July, the 4 CEM courses will be completed. They will then go through EPA review. Other courses being updated will be complete by the end of summer.
 - b. ARB 300 and 400 series courses are available. Not so much the 200 level courses.
