

Best Practices – Regional Perspective

Genevieve Damico

U.S. EPA Region 5

Damico.genevieve@epa.gov

312-353-4761

- Reduce Title V renewal backlogs
- Encourage enforceable limits on potential to emit
- Review program once every five years

Environmental Goals for Permit Review

- Impact disproportionately burdened communities
- Where climate change may be preventing attainment of the NAAQS
- Update compliance methodology where it may be appropriate
