

The Washington Update: Live!

**NACAA Spring Membership Meeting
Region 11
May 18, 2020**

Miles Keogh, Executive Director, NACAA

Wishing you well

Here's what I'm going to say:

- ❑ Who are we?
- ❑ What are we *for*?
- ❑ How are we driving value to the members?
- ❑ How can you get more out of being in NACAA?
- ❑ What lies ahead?
- ❑ As my kids say, “AMA”

(Ask Me Anything)

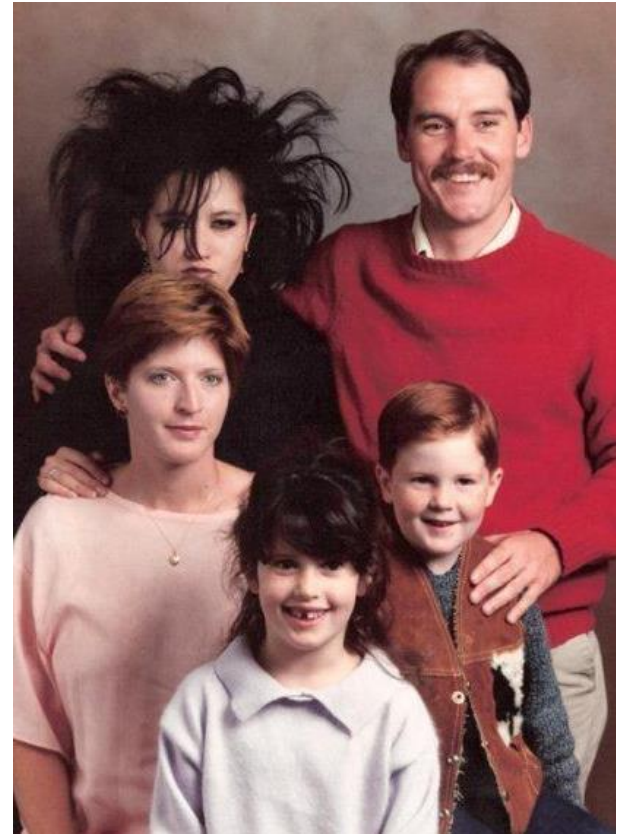

Who is NACAA?

What Are We For? Clean Air

- Our strategy as a family of agencies:
 - ◆ Drive Value To Our Members
 - ◆ Build community, provide support
 - ◆ Advocate for intelligent advances in policy
 - ◆ Be the pre-eminent authority on clean air issues

A family needs a home

Our actual new home

Where are we going?

- ❑ For the next couple days
 - ❑ 1:00 – 4:15 Eastern
 - ❑ Today: Independent Science Advisors, On-road vehicles
 - ❑ Tomorrow: NAAQS Update, ACE Implementation
- ❑ In the long term:
 - ❑ Reaching out with new services
 - ❑ Economics & politics loom large in our choices

Here's The Plan:

- ❑ Drive value to the members
- ❑ Build community, provide support
- ❑ Advocate for intelligent advances in policy
- ❑ Be the pre-eminent authority on clean air issues
- ❑ (And keep the family strong!)
