**ORDER**

Upon consideration of the unopposed motion to govern further proceedings, it is

**ORDERED** that the motion be granted, and these cases be returned to the court's active docket. The parties are directed to file, by March 24, 2016, proposed formats for the briefing of these cases. The parties are strongly urged to submit a joint proposal and are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate, require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief. Whether the parties are aligned or have disparate interests, they must provide *detailed* justifications for any request to file separate briefs or to exceed in the aggregate the standard word allotment. Requests to exceed the standard word allotment must specify the word allotment necessary for each issue.
