

# Region 6 Compliance Workshops

David Garcia

Air Toxics Inspection and Coordination Branch

EPA Region 6

214-665-7593

# Region 6

## Annual Inspector Workshops

- Basic Inspector Training
- NPDES Inspector Training
- Air Inspector Training
- RCRA Inspector Training

# Benefits of Workshop

- **Information Sharing** - technical and regulatory
- **State Partnership** - co-hosted with one of our State agencies (rotate from state to state)
- **Network Opportunities** – among HQ, Regions, State, locals, and tribes
- **Real World Examples** - allows for case studies and on-hands field inspections for training
- **Sharpen the Saw** – Identify what works and what does not, learn about new technology

# Statistics of Workshops

- **100** – Average Number of Attendees
- **Attendees** - Federal employees, other Regions, Region 6 States, other States, Tribes, locals and regulated community

# Resource Barriers Affecting Workshops Continuance

- Financial
  - \$24,151 to support the 4 workshops annually.
- Resources (6 Month Pre-planning Activities)
  - 240 hours for a Single Workshop
  - 960 hours for the 4 Workshops
